Wednesday, May 7, 2009

“One Great Community Salutes Chamber Champion John Schuerman”

“**ONE Great Community Salutes**” is a Chamber program designed to recognize people who do positive things to improve the quality of life in our community.

John Schuerman, WCTV Operations Director and Interim Station Manager is this month’s **Chamber Champion**. John is a long time community resident who attended Earlham College and joined WCTV in the summer of 1989. He has been putting other people in the spotlight for 20 years. Now it is his turn!

It would be impossible to count the number of lives that John Schuerman has touched in more than two decades of television. It is for all the people he has touched and because he is the man he is that John deserves this One Great Community Salute as a Chamber Champion! From behind the camera John has been able to impact our Community in many positive ways. John has put countless faces and facts on screen at WCTV. He has spent his career promoting Wayne County and empowering people through technology and done so from behind the scenes.

The Chamber will select an award recipient monthly and honor recipients throughout the month. The Chamber invites nominations from the community. Nomination forms are available at the Chamber Office, local radio stations, the Palladium Item and on line at www.rwchamber.org.
